Hi Teens! (FROM ADRIAN)

I am so excited to be working with you at Nationals this year! Making this number is one of the highlights of my year. I look forward to spending time with you all and making something we are really proud of.

It will be so helpful if you come prepared knowing this material at our first rehearsal together. The more you have the movement mastered, the more AMAZING we can make our number.

I CAN'T WAIT TO SEE YOU ALL AND I CAN'T WAIT TO MAKE SOMETHING THAT MAKES YOU LOOK SPECTACULAR.
