## September 2023

### Classes begin September 5th

Classes start September 5th. The season runs from Sept 5<sup>th</sup>- May 18<sup>th</sup>. Please double check your student's classroom assignment before coming to the studio, as it may have changed. Room assignments can be found on your portal.

Please note: They will be let out a few minutes early for cleaning the space before the next class. If they exit out the back for pick up, it will say this next to your class name (Pick up out back). All other pick up will be in the front of the building. If you child has another class the same day, please make sure your child knows where they need to go.

Not sure if you put your child in the right class? No need to worry. In September we will observe their skill level and try to change them within their tumbling hour to reach their tumbling goals.

All students who are tumbling in the main gym, enter the gym and look for a flag with your gym's color. Your new class and coach will meet you there.

The safety of your children is our #1 priority! Please talk with them about the importance of staying inside the building or on the sidewalk closest to the building until their ride comes. Always watch for cars in the parking lot and crossing the drop off/pick up lanes. Please drive slowly and watch for pedestrians.

Please do not park on the street with no parking signs and do not block neighboring businesses or neighborhood entrances across the street.

Thank you for your support in keeping everyone safe! Drop off will be in the front of the building for all classes. We have some classes that may exit through the back. You will see this on your child's class if they exit out the back.
